

Dr. Lisa Drapela
Staff Veterinarian
Texas Farm Products Company

Dr. Lisa Drapela is the staff veterinarian for Texas Farm Products. A division of Texas Farm Products Company, Precise Pet Products is an American-based manufacturer and supplier of canine and feline foods made from all-natural ingredients produced from U.S. and New Zealand sources. Using the latest in technology and testing capabilities, Precise Pet Products provides customers with affordable pet foods that are safe and nutritious.

As the staff veterinarian, Dr. Drapela is responsible for giving direction to consumers about the formulas and how they can be best used for a pet. Dr. Drapela also works in the purchasing department, in which she provides insight into the quality of ingredients that Precise Pet Products uses. Dr. Drapela joined Texas Farm Products in 1997 working in the Precise Customer Care Center.

Prior to joining Texas Farm Products, Dr. Drapela worked as an associate veterinarian for small and large animals at a private practice. In this position, Dr. Drapela was in charge for the daily operations of the main clinic as well as all the surgeries and the care of patients.

Since 1994, Dr. Drapela has been a member of the American Veterinary Medical Association and Texas Veterinary Medical Association. Additionally, she has also been a member of the American Holistic Veterinary Medical Association.

Dr. Drapela received her bachelor's degree in Animal Science in 1990 and her doctor of veterinary medicine in 1994 at Texas A&M University.
